## SENIOR CLASS HISTORY

THE record book of the class of "47" is filled with the struggles of four years at Central. Now, nearing the time of graduation, we look back to review some of these.

Although a little awed by the thought of being in high school, the class soon gained prestige by the number of its members on the Honor Roll. Those who maintained this standing for four years were: Edward Boyle, James Brennan, Raymond Budell, John Cavanaugh, Edward Courtney, James Dean, Paul Driscoll, Joseph Harstead, John Hogan, Michael Jaccar, John Laird, James McCaughey, Thomas McMahon, James Reardon and Richard Sudak.

On the gridiron and basketball court the class was well represented by such names as: John Banovich, Jack Coyne, Paul Driscoll, John Emery, Joseph Harstead, John Hogan, Michael Jaccar, William Leybold, James McCaughey, Flurry McClafferty, Patrick McDevitt, Thomas O'Brien, Clair Renouard, James Sweeney and John Tomich, while Jim Coyne and Bob O'Neill did an excellent job of managing the teams.

Throughout his four years James Dean was a stellar member of the tumbling team.

In the annual handball tournament John Cavanaugh and John Kindt captured the doubles championship, while John Cavanaugh won the singles title.

The band received invaluable aid from such members as Edward Courtney, James Dean, Thomas McMahon, Eugene Quinn, Richard Sudak and Daniel Sullivan.

During the year the Senior members of the Dramatic Club took part not only in the annual school play, "The Life of Riley," but also in the Girls' Central production of "Our Hearts Were Young and Gay." Those taking part in "The Life of Riley" were: James Brennan, Edward Courtney, Robert Hall, Michael Jaccar, William Leybold, and William Ring, while Edward Courtney, Jim Coyne, Robert Hall, Thomas McMahon, William Ring, Charles Stone and Daniel Sullivan participated in "Our Hearts Were Young and Gay."

Here let us pay tribute to our class officers for their outstanding leadership: James McCaughey, President; James Sweeney, Vice-President; Paul Driscoll, Treasurer; and John Hogan, Secretary.

Now our stay at Central has come to an end, but in the years to come we are confident we will forget neither the teaching we received nor the friendships we made.

## VARSITY FOOTBALL

LATE in August forty-eight football players embarked for a week's intensive training at Camp Lowlands to start their "46" season. During the next seven days, the full squad went through a rigorous program of calisthenics, and also reviewed the fundamentals of blocking and tackling. With only two weeks until their first game, the team came back to Butte, a light but highly conditioned team. Teamwork, timing, and more blocking and tackling were stressed during the short time until the first game of a season that was to be one of the most successful ever accomplished.

On September 15, the Maroons went on the field a team of which Central could be justly proud. After playing like champs the first quarter, Central coasted on to a 13-0 victory over a hard-charging Saint Peter's team. To a team of Central's calibre the victory was unsatisfactory. Kellogg, Idaho, proved to be an easier encounter and the previous week's disappointment was soon forgotten when a 44-0 victory was chalked up. In their first game away from home, Central rolled up 31 points in the first half and rumbled on to a 31-0 victory over Kalispell. On the following week the team really hit their peak and through their precise blocking, tackling, running, and passing beat a strong Livingston team by a decisive 30-0 score. Havre proved to be a team worth reckoning with as the Blue Ponies extended the boys to a 14-13 hard-earned victory and the Western Division Class A Championship. The Copperheads, a Class AA team, gave Central a little trouble in the first half, but the Maroons found their lost technique in the second stanza as Anaconda succumbed to Central 33-12.

Butte High was all the boys thought about during a week of hard practice, and on Friday night, October 25, the fans who saw the traditional tussle between the city's two unbeaten elevens came out of the stadium with a lump in their throats, for with the score 24-20 against them, Central found themselves on Butte's three-yard line, only to be defeated by the heart-breaking noise of the timer's gun.

For three weeks Central was idle due to a cancelled game. The inability of finding a game proved costly to the defending champions, who lost by the narrow margin of 13-12 to a strong Glendive team that had gone through their season with an unblemished record. With this game, the final one for nine seniors on one of the finest football machines that Montana had witnessed, went the State A championship.

To Ed Simonich, our magnificent coach, we wish to express our thanks, for it was "Big Ed" and his able assistants, Athletic Director Brother J. N. McMahon, and line coaches, Rev. A. L. Kaparich and Mr. Tom Tobin, who, through their untiring work and patience, made the team what it was. A championship was lost, but not the more important lessons of "Teamwork" and "Sportsmanship," two of the most essential factors in the building of character.

The season is over now and it can be truly said that the Maroons enjoyed an extremely successful season. The record of six victories and two defeats speaks for itself. One thing is certain in the minds of those who saw the 1946 team in action, that they were one of the greatest, if not the greatest, team ever seen in the gridiron annals of Central High School.

## CENTRAL'S ALL-STATERS

J. McCaughey, F. McClafferty, J. Sweeney, J. Banovich

**W**E at Central take this opportunity to congratulate these four All-Staters, who placed on the Star-Studded teams of the coaches, officials and sports writers.

Jim McCaughey, Central's all-around All-Stater, whose quick wit, cool generalship, and accurate passing eye led the Maroons on to victory, made All-State Quarterback—a position for which the competition was unusually keen.

Flurry McClafferty's line busting and timely blocking and tackling, Jim Sweeney's outstanding all-around play, coupled with his outstanding pass catching, and John Banovich's consistent offensive and defensive tactics won them honorable mention on one of the finest All-State teams in Montana history.

## B FOOTBALL

**H**ANDICAPPED by lack of material, Brother M. G. Reilly, B-squad coach, undertook the task of developing a small but spirited group of boys into shape for their opening game of the 1946 season. After long, tireless evenings of hard practices and scrimmages, Brother Reilly cut the squad to thirty players, who were to represent the B squad for the season.

Using the fabulous T-formation, the team went through a rugged season against much bigger and heavier boys and lost a great percentage of their games. But their fighting spirit, which has always been the symbol of Central teams, brought them praise from their followers and fans who witnessed their games.

Despite these losses, the boys showed great possibilities and promise of being future stars on Central's Varsity Squad for the 1947 season.

### CENTRAL SPEEDSTERS

**W**ITH football cheers still echoing, thirty-five hopeful hoopsters turned out, eager to gain a berth on the '46-'47 Varsity team. From this group it was Coach Ed Simonich's job to choose, condition and put together a winning combination. This has become a habit with "Big Ed" and in a few weeks the boys were ready for their first test.

Impressive wins against Class B teams paved the way to three hard-earned victories over Anaconda, St. Peter's and Livingston and gave the Maroons the championship of the Annual Round Table Tournament. Central rolled up seven consecutive victories before they first tasted defeat in a game at Livingston. More victories followed till late in January, when "Simonich's Little Irishmen" played one of their best games of the season, rallying from a ten-point deficit in the third quarter to a startling 44-42 victory over Missoula. It was the Spartans' first loss at home in three years. February and early March found the "scoot and shoot boys from Central" compiling an enviable record in Conference and non-Conference games, earning them fourth place in the Big 16. This record included a fourteen-point victory over the Missoula Spartans, destined State Champs. In their final home game the Maroons played magnificently, beating, with comparative ease, their arch foe, the Butte Hi Bulldogs, 36 to 28. This meant the City Championship for the fourth consecutive year and also kept intact their undefeated record in home games, which now numbered 17 straight.

Central entered the Divisional Tourney at Missoula as favorites, but proved to be a game-wary crew, barely overcoming a brilliantly inspired Glasgow team by four points. In the semi-finals the speed of the "Maroon Midgets" failed to match the height of the towering Bisons of Great Falls. The payoff game Saturday morning, where the winner automatically advanced to the State Finals, saw the Maroons play their only good game of the tournament, downing Kalispell by 29 points. In the evening game the Central team was beaten by a hot Havre five, 49-35.

On the following Wednesday, the Maroons became one of the first high school teams to fly, as they winged their way to Great Falls and the State Tournament.

The first game saw the team fight as only Central teams know how, but they were unable to stop the one-man show of "Big Bill Hutchinson" as he scorched the mesh nettings for 27 of the Billings team total of 46 points. In the consolation series the Maroons rallied from behind to down a fighting Anaconda team 41-36. The final game of the year saw the Maroons unable to corral the stampeding Blue Ponies from Havre. This was the conclusion of the High School careers of six seniors who will be sorely missed in the forthcoming season. A word of praise is due to Captain Jim McCaughey, who through his consecutive team play garnered 427 points and a berth on the first All-State team.

This year's team rolled up a record which compares favorably with any in the school's history. The team brought forth again the coaching genius of Ed Simonich and displayed to everyone the fighting spirit of all Simonich-coached teams. The feat accomplished by the Maroons during the '46-'47 campaign will remain a splendid goal for any Central team to shoot at in the future.

## SKIING

**A**s a result of the Butte Ski races, a team representing Central was chosen. Those who made the team were: J. Shields, J. Finlen, J. Emery, J. Carrig, D. McGonigle and W. McDermott.

The interscholastic high school meet was held at Anaconda, February 15th. In the *downhill* the team did not do too well. J. Finlen, in fifth place, was our best performer. The next day we fared much better in the *slalom* race. J. Shields finished second and J. Finlen was third. The crucial *jumping contest* came next. J. Emery, who was favored to win, fell, thus eliminating him. When the meet ended, Bozeman High had captured first place and Central second.

J. Shields and J. Finlen were chosen on the All-State team and J. Shields participated in the Sun Valley meet.

Next year we hope to have more than one meet, thus making Skiing a true interscholastic sport.

## CENTRAL BAND

1946-1947

**C**ONSIDERING the limited size of the student body, Central maintains from year to year a remarkably representative band. This year is no exception. From its first appearance at the Central-Saint Peter's game, this organization, by its spirited playing of the School Song and other numbers, has contributed largely to the peppy and enthusiastic spirit for which Central is famous.

Comments have been heard from time to time on the fine balance and harmony shown in the playing of the Star Spangled Banner and other pieces in which this band surpassed rival and larger organizations. For this contribution to the school, too much credit cannot be given to Mr. Martin Cesare, who labors incessantly and unselfishly for his boys by private tutoring and by the skillful arrangement of the pieces.

This year the Central Band will lose through graduation some experienced players, but Mr. Cesare is already preparing for this emergency by the training of a group of Freshmen who we hope will maintain or even surpass the fine traditions passed on by their predecessors.

## ORCHESTRA

THESE four boys organized their little orchestra in the fall of '46, not knowing what a great success it would really be.

With Charlie (Eddy Duchin) Stone on the piano, Joe (Harry James) Canavan on the trumpet, Bob (Tommy Dorsey) Netterberg on the trombone, and Mickey (Al Jolson) Evans on the drums and vocalist, they made a "go" of their orchestra through many hours of practice.

They decided that they must have a name and finally came to the agreement that they would call themselves "The Cat Tamers."

The boys, who are now members of the Musicians' Union, take private lessons from very capable instructors. Bob and Joe transpose and arrange all the music for the orchestra, thanks to Mr. Cesare, their teacher, who has taught them to transpose and arrange for any instrument.

The boys have displayed their ability as a group and also by giving solos at the many programs on which they have appeared.

C. Stone, R. Netterberg, M. Evans, J. Canavan.

## TUMBLING CLUB

**T**UMBLING started as usual the first week of school. The study hall bounced with recruits, and long hours of practice rewarded many enthusiastic freshman and sophomore hopefuls.

The team made several trips to Anaconda as well as to Helena and Fort Harrison. They entertained many home town basketball fans and were greatly appreciated by a large number of clubs and associations about town.

Under the leadership of their moderator, Brother J. B. Ryan, and team captain, James Dean, spectators were thrilled by new and clever routines.

## DRAMATIC CLUB

EACH year the Dramatic Club enlarges its scope and adds new laurels to its already traditional reputation for outstanding productions. This year's presentation of the brisk and dashing comedy, "The Life of Riley," was acclaimed by an overflowing audience on the evening of March 7th. On March 9th, the Club again repeated the play, after numerous requests, for the benefit of the Bishop's War Relief Campaign. The entire cast converted itself with glory throughout each performance.

Besides the annual play, the Club also staged successful short productions during the year and supplied members for the male roles in Girls' Central's production of "Our Hearts Were Young and Gay."

The Club is distinguished for its enthusiasm, hard work, co-operation, under the skillful direction of its moderator and director, Brother J. C. Fellows. Make-up for the various productions was done by our two good friends, Miss Dorothy Kane and Mr. William Corbitt.

## THE STUDENT RETREAT AT BOYS' CENTRAL

REV. A. N. KAPARICH  
Retreat Master

SILENCE pervaded the school on December 4th, 5th and 6th, as the students took time out from their studies for their annual retreat.

During these three days, under the able guidance of Rev. A. N. Kaparich, the boys strived to unite themselves with God.

Father's conferences inspired the students to greater spiritual and intellectual heights throughout the remainder of the school year.

## ROUND TABLE

THE following letter sent to each member of the Round Table by the Principal speaks for itself of the work accomplished by this organization since its institution four years ago:

Dear Member:

It is with pleasure that we enclose the 1946-47 Round Table Card in sincere appreciation of your contribution to the cost of maintaining student activities at Boys' Central High School. Without Round Table support the achievements of the past several years would not have been possible.

When the Round Table was organized in the fall of 1943 student activities at Central were at a low ebb due to lack of public support—both financial and otherwise. Thanks to men like yourself, Central today ranks in every respect with Montana's leading high schools.

Round Table Funds, administered by your able finance committee and the faculty, have solely and completely financed the following important projects:

Employment of a full-time, salaried athletic coach.

Purchase of uniforms and equipment for athletic teams.

Modernization of athletic lockers and change rooms.

Installation of modern and adequate shower baths.

Introduction and financing of annual pre-season training camp for team conditioning.

Providing bus transportation for all our athletic teams, thus reducing travel hazards.

Originating, sponsoring and successfully conducting the annual Round Table Invitational Basketball Tournament.

Sponsoring periodic Round Table entertainments wherein faculty, alumni and Round Table members meet for a review and discussion of Central's objectives. Over 900 men attended one such meeting honoring Frank Leahy, renowned coach of Notre Dame.

Purchasing and presenting trophies for winners of C. Y. O. sponsored parochial school football champions.

Staffing of athletic events with Round Table volunteer non-paid ticket sellers and takers. This faithful and loyal group has substantially aided in conservation of your funds.

Setting aside the sum of \$1,500.00 in a special fund to provide a suitable memorial for the sons of Central who served their country in the World War.

Such are the major achievements of your Round Table. Your continued future support of this splendid program will enable the school to achieve equally brilliant results in each of its other student activities.

To the Round Table and each of its members—for all that they have done for the boys and the school—many thanks!

Mr. John (Bolo) Sullivan was appointed Chairman of the Round Table for 1946-47.

One of the Round Table highlights of last spring was the welcome the organization gave Mr. Frank Leahy, athletic director and head football coach at Notre Dame University. Mr. Leahy addressed more than 1,000 members of the Round Table and their friends at the school auditorium.

Scores of Notre Dame alumni and supporters assembled at the airport to greet the visiting coach.

Mr. Leahy expressed pleasure at renewing friendship with Ed Simonich, coach of Central, and Ed Foley, a former Notre Dame student. "Simonich was one of the finest players we ever had at Notre Dame," said Mr. Leahy. He also paid tribute to Dan Hanley, a former Central star, who was an outstanding halfback at Notre Dame.

In discussing the trend of football, Mr. Leahy expressed belief that there would be lower scoring games and more stress placed on defensive play.

Mr. Leahy was feted at a dinner party held at the famous Rocky Mountain Cafe in Meaderville by the Round Table. He left the next day for Logan, Utah, where he conducted a coaching clinic.

Butte

Montana's most unique cocktail lounge and restaurant. Along the walls are giant murals depicting our basic industries. Here, as in all Finlen restaurants, is served delicious, high-quality food prepared by expert chefs and served by friendly waitresses. For Luncheon or Dinner it's the smart place to eat.

The Finlen boasts of a number of beautifully spacious dining rooms which can be used for dances as well as large dinner parties. Phone Max Dean, manager, for information. Finlen services add to the pleasure of every party.
